Who We Are

In the wake of the catastrophic earthquake in Haiti on January 12, 2010, a strategic partnership developed between leaders of South Florida's Haitian community, prominent businesspeople, elected officials, labor and relief organizations with the shared vision of combining forces to provide immediate relief to our suffering neighbors, capacity building for the rapidly growing South Florida Haitian community, and the groundwork for ongoing collaboration in the reconstruction of a sustainable Haiti.

"Konbit" is a word in Haitian Kreyol for gathering, collaborating, and cooperating -- a concept at the heart our mission.
